

Procedure to install the GUD Catalogue from the website.

Based on the version of your operating system and security settings, various security prompts may appear during the installation process. In this case, follow the procedure below:

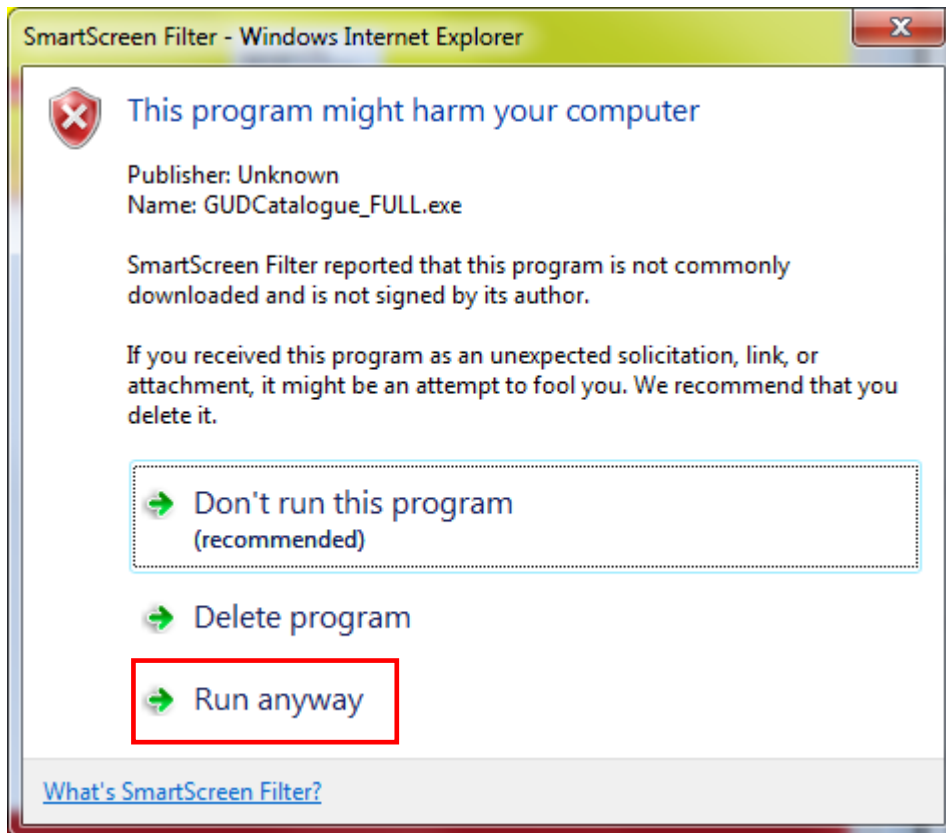

1. Click on the **GUDCatalogue_FULL.exe** link.
2. Click **Run**.

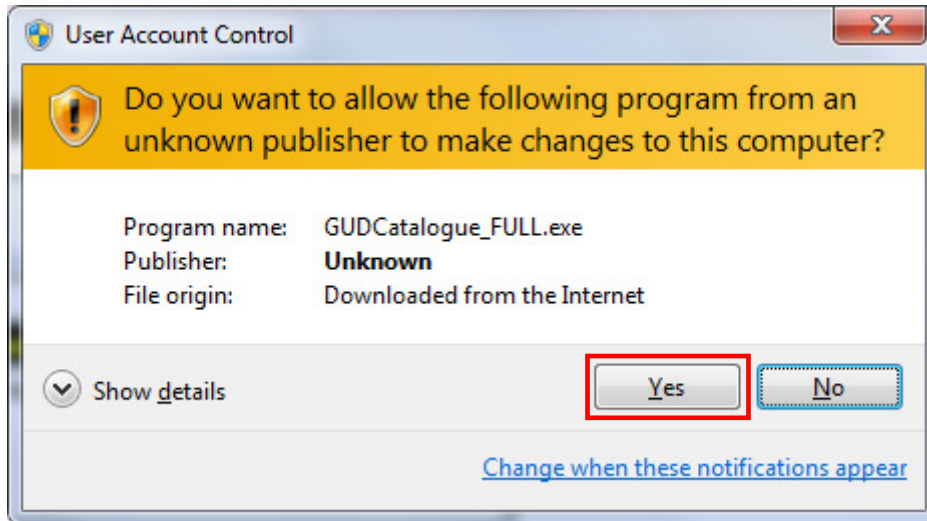

3. Click **Actions**.

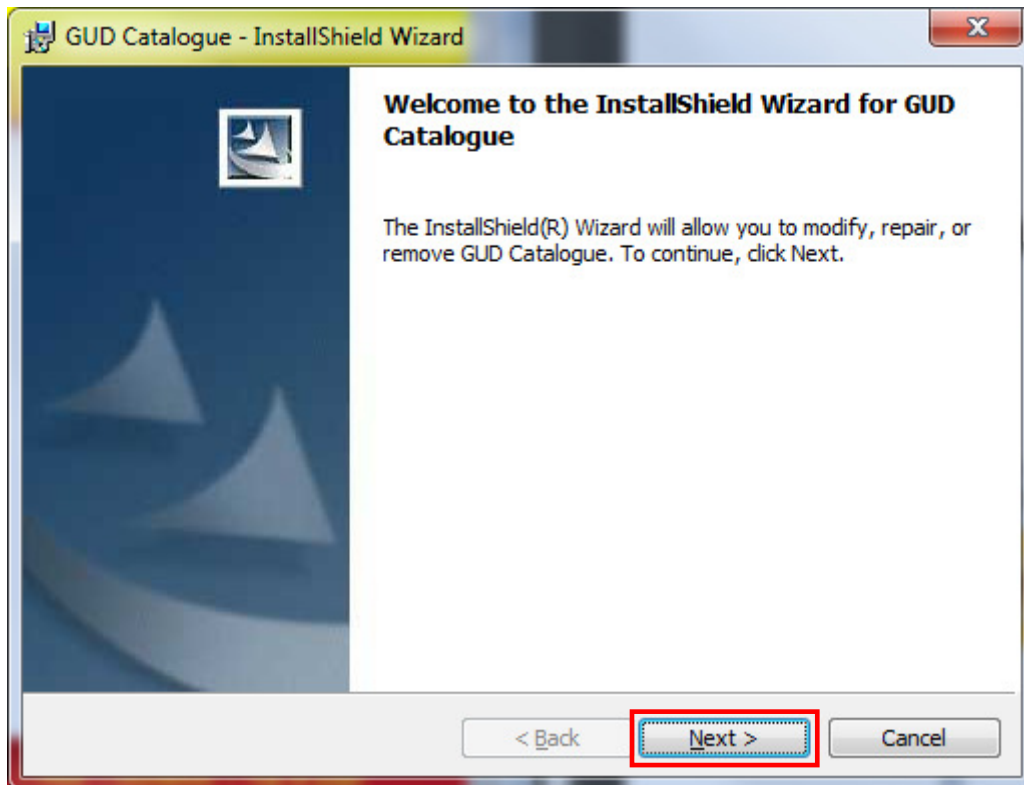

4. Click **Run anyway**.

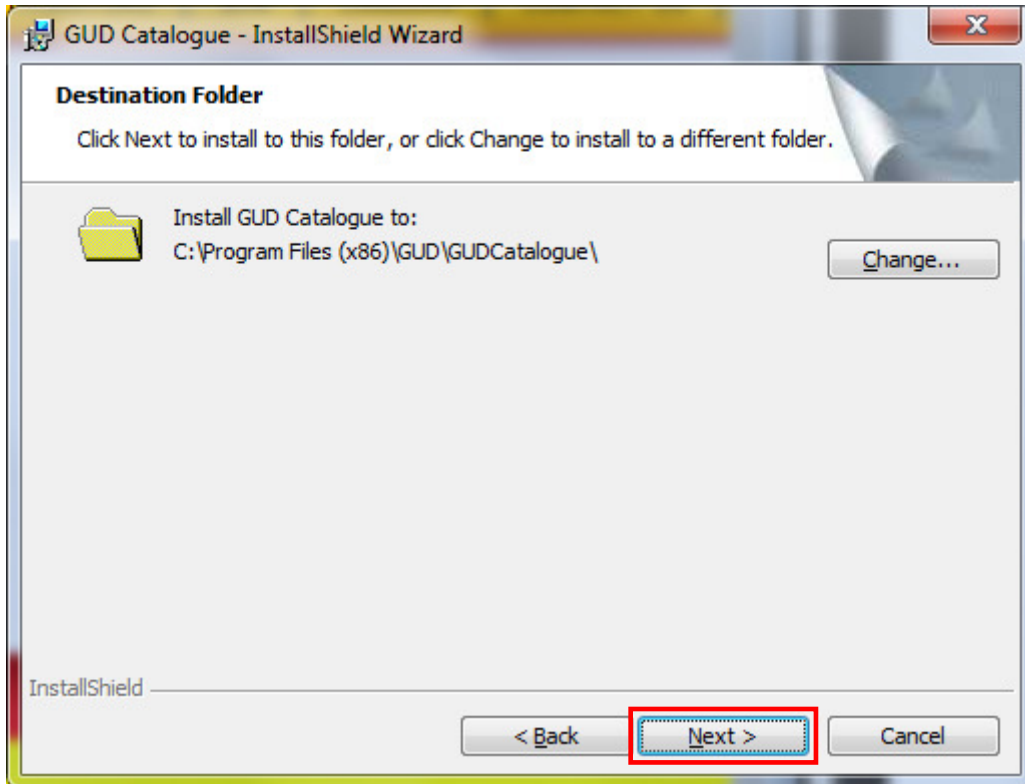

5. Click **Yes**. This will start the installation program.

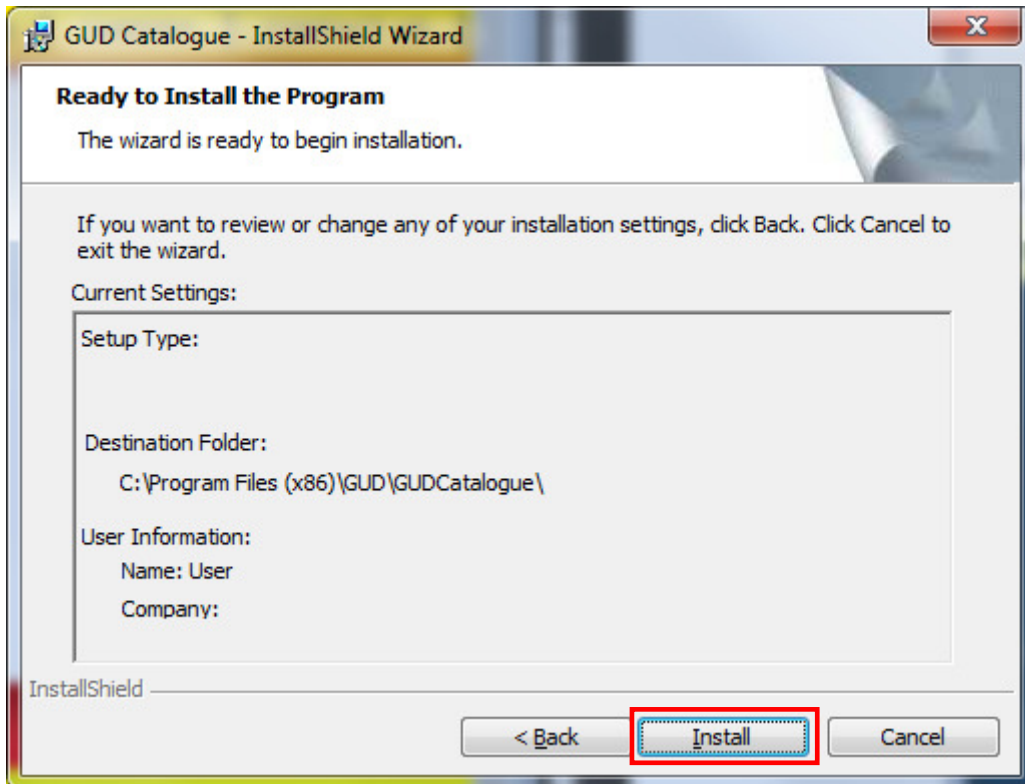

6. Click **Next**.

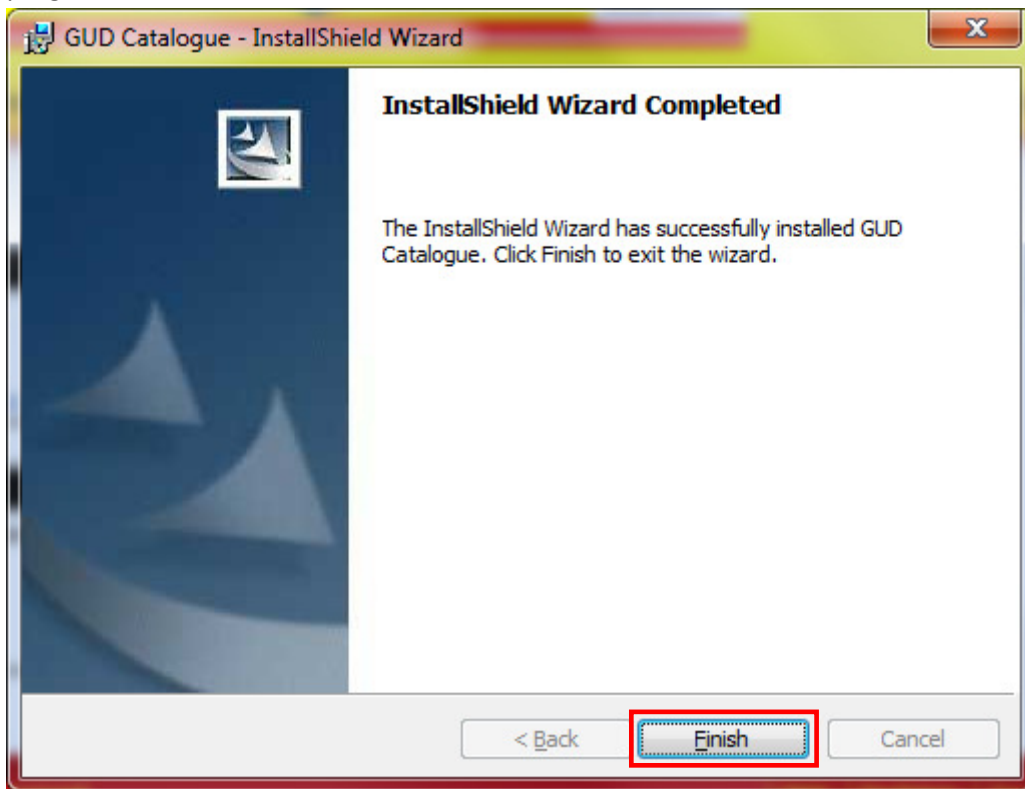

7. You may change the default installation directory by clicking the Change button. Click **Next**.

8. Click **Install**. The program will now be installed.

9. Click **Finish**. A *GUD Catalogue* shortcut will be created on your desktop. Use this to access the program.
